Business Essentials ADSL is a high-speed broadband internet service which lets you use your phone or fax line while you're on the internet. Plus, you can download large files, including video at fast speed.

Our Broadband ADSL and ADSL2 plans are optimised to suit all your speed and data requirements.

Coupled with the added benefit of a monthly access fee discount when you combine your Broadband ADSL with your fixed line service on the same Clear Telecoms account.

**Now that's the Clear alternative! To join us today call 1300 304 773.**

**PLAN TERMS & CONDITIONS:** 1. All plans are subject to a 12 or 24-month agreement with a \$99 connection fee on new 12-month contracts and \$0 connection fee on new 24-month contracts. Connection charges are a once off charge and will be applied to your first invoice. Choose from a subsidised modem OR one Month Free Access for \$0 on any new 24-month agreement. The one Month Free Access will be applied to your first months invoice. Plans are subject to availability in your service address location. Unless stated otherwise, offer excludes hardware and equipment. Customers must have an active fixed line telephone service. 2. Speeds are based on network testing. Actual speeds may vary due to a number of factors including network configuration, line quality & length, exchange type, customer premises interference, traffic, equipment and software. Customers may need to purchase a new modem and filters. Speeds will be slowed to 128kbps/128kbps after the usage limit is reached in a calendar month. 3. Your upload usage cannot be greater than 50% of your download usage. 4. Bundled Monthly Access Fee is available to customers bundling a fixed voice and broadband service on the same account. 5. Your Monthly Access Fee is the minimum amount you pay each month for your ADSL service, regardless of your usage. Monthly Access Fees are charged in advance. 6. Total minimum costs do not include connection charges or hardware costs, which are charged separately. 7. Static IP address available on request. Static IP addresses incur an additional \$5 monthly fee. 8. All prices quoted include GST and are subject to change. 9. Early termination charges apply and will be charged at 50% of the access fee multiplied by whole months remaining in the contract. For full terms and conditions of individual plans please refer to the Clear Telecoms website. The services set out in this rate sheet are provided pursuant to the Clear Telecoms Standard Form of Agreement (SFOA). Clear Telecoms SFOA, can be found at [www.cleartelecoms.com](http://www.cleartelecoms.com). M2 Clear Pty Ltd. ACN: 148 154 590.
